Your Legacy

Building for the future

The Noah's Ark Appeal exists to build, equip and further support the Children's Hospital for Wales. Through tremendous public support we have built Phase One of the very first Children's Hospital for Wales, a colourful and child-friendly facility which treats children with medical conditions and children with cancer. At the Noah's Ark Appeal gifts kindly left by supporters in their Wills are a vital part of our funding and every contribution made, no matter how big or small will go a long way to help us provide the very best treatment and care for thousands of sick children each year.

Remember us in your Will

Donating a gift to the Noah's Ark Appeal in your Will allows you to leave behind a lasting legacy which ensures continuing support for the Children's Hospital for Wales. The generous gifts we receive from our supporters enable us to plan for the future and make it possible for us to create a child-friendly facility which will provide the very best of care for generations of sick children in Wales. Charitable legacies are also exempt from Inheritance Tax, so leaving money to the Noah's Ark Appeal means that every penny of your gift will go towards equipping the Children's Hospital for Wales.

Make a Difference

Making a Will for the first time

Once you decide to make a Will, we recommend you use a solicitor. Professional advice is less expensive than you might think and having a valid and accurate Will can give real peace of mind.

Choose the type of gift you want to leave

There are two main ways to leave a gift for the Noah's Ark Appeal in your Will.

- A residual gift is the remainder or a percentage of your estate after all other gifts and expenses have been deducted. This ensures that your loved ones are remembered first.
- A pecuniary gift is a gift of a specific amount of money. Ask your solicitor to index link this gift to ensure that inflation will not reduce its value over years.

Making a change to your Will

If you have an existing Will but would like to leave a gift to the Noah's Ark Appeal then you will need to complete a Codicil. This document allows you to make changes or additions to an existing Will without having to pay for your Will to be re-written. If you need to make a more significant change to your Will we recommend you speak to your solicitor and consider having your Will redrafted.
